

CAPABILITIES STATEMENT

Positronic builds premium power and signal connectors for a wide variety of global industries. But every product delivers the same outcome: Certainty. That's our master spec, our driving purpose.

We believe in the people who are advancing our world and making it a better place, those who are realizing new discoveries, developing technologies that help humans connect, and expanding commerce to advance economies. That is why we are serious about developing high-reliability interconnect solutions – because failure is not an option for critical systems, they must perform.

From deep space discovery to medical breakthroughs, Positronic delivers **The Science of Certainty**.

Visit www.connectpositronic.com to learn more about Positronic.

Core Competencies

- Over 50 years' experience in connector design and manufacturing
- Leadership in innovative contact and connector technologies
- Unique ability to quickly modify existing designs or create new products to meet application-specific needs
- US Mil-spec and NASA qualified products
- Key products include high power, D-sub, rectangular, modular and circular connectors
 - Broadest range of D-sub connectors in the world
 - Largest offering of power connectors in the industry
 - Rugged, waterproof connectors
 - Largest array of accessories
- Solid machined contacts with low resistance/high conductivity for use in standard and quick-turn custom connectors

Differentiators

- Experts in customization and modification of standard
- Solid, machined, high-performance contacts
- PosiBand contact technology
- Modular connectors built with a unique tooling process
- A wide variety of accessories for mounting, locking, hoods, and other applications
- Vertical integration allows Positronic to provide consistent lead times

Past Performance

NASA	Goddard Space Flight Center
Jet Propulsion Laboratory	Defense Logistics Agency
Raytheon Technologies	Boeing
Lockheed Martin	Northrop Grumman

Corporate Data

Positronic is headquartered in the U.S. Our corporate offices are located at:

Positronic Industries, Inc.
423 N. Campbell Ave.
Springfield, MO 65806

Additional manufacturing facilities are located in France, Singapore and Indonesia.

DUNS: 00-744-7196
CAGE: 2819
NAICS: 334417
