

Product Change Notification

Positronic will deem this change accepted unless specific conditions of acceptance are provided in writing within 30 days from the date of this notice.

PCN Number	10576
PCN Title	Positronic Becomes Part of Amphenol Corporation
Notification Date	12 February 2021
Implementation Date	Immediately
Part Description	N/A – Change affects company ownership.
Affected Part Number(s)	N/A
Change Description	Positronic has been acquired by Amphenol Corporation.
Reason for Change	<p>Change in company ownership.</p> <p>Prior to the acquisition, Positronic was a privately held company, founded in 1966. As of 25 January 2021, Positronic Industries Inc. is now owned by Amphenol Corporation. Amphenol Corporation is one of the world’s largest designers, manufacturers and marketers of electrical, electronic and fiber optic connectors and interconnect systems, antennas, sensors and sensor-based products and coaxial and high-speed specialty cable. Amphenol designs, manufactures and assembles its products at facilities in the Americas, Europe, Asia, Australia and Africa and sells its products through its own global sales force, independent representatives and a global network of electronics distributors. Amphenol has a diversified presence as a leader in high-growth areas of the interconnect market including: Automotive, Broadband Communications, Commercial Aerospace, Industrial, Information Technology and Data Communications, Military, Mobile Devices and Mobile Networks. Visit https://www.amphenol.com/ for more details.</p> <p>Positronic products complement the Amphenol offering, and the acquisition will allow customers to take advantage of a broad connector portfolio and have access to new, innovative technologies in the future.</p>
Performance Impact	None – Customers will continue to conduct business with Positronic in the same manner. There are no changes to Positronic locations, team members, and business operations.

* The implementation date is the projected date that customers may begin to receive changed product. Based on the rate of inventory depletion of current product, the implementation date may be later, but not earlier, than the stated date. Although customers should be prepared to receive changed product on this date, Positronic may continue shipping current product until a time in which the inventory has been depleted. This would result in current product being shipped to customers after the stated implementation date.

Information provided herein is in connection with Positronic products and this information is provided "AS IS". Positronic assumes no responsibility for any errors that may appear in this document. No license, express or implied, by estoppel or otherwise, to any intellectual property rights is granted by this document. Except as provided in Positronic Terms and Conditions of Sale for such products, Positronic assumes no liability whatsoever, and Positronic disclaims any express or implied warranty, including liability or warranties relating to fitness for a particular purpose, merchantability, or non-infringement of any patent, copyright or other intellectual property right. Positronic may make changes to specifications and product descriptions at any time, without notice.
